Dear Harold,

Just a very hasty note to let you know that I received your mailing of 11/18. I think you handled Boxley very well.

On reading 22H187 (CE 1153) for the first time, I think it most likely that the 17 stills obtained from Rush are only 3 different frames, but I will not assume that is the case. In your letter to the Archives, you ask for the material he provided on 11/26. You might find it necessary to specifically point out that they are attachments to the report (of Gerrets and Rice ?) dated 11/29/62, and get a copy of this report, if you do not know have one. (I am not sure, but I do not think I have it.) The Archives seems to be less helpful when they are asked to think and read for themselves.

Enclosed as requested: CD 87, SS 449 (5 pp), CD 75, pp. 684-5 (Bob Jones photos), Gemberling-Hosty affidavit and related pages (4 double pages).

Sincerely,
Paul
